O · X · N · A · R · D

Thank you for considering Heritage Square as the ideal setting for your special event.

Heritage Square is truly a unique location for your special event, whether it be a wedding, wedding reception, a business or social affair or community fundraiser. Corporate events are far more memorable at Heritage Square with its warm and inviting atmosphere.

Our **Chapel** is a Ventura County historical landmark that was built in 1906 and was originally home to the First Christ Scientist Church. This beautifully restored building includes its original stained glass windows. The Chapel is available for viewing by appointment.

Heritage Square's outdoor **Main Plaza** captures the beauty of the Victorian mansions and surrounding gardens can seat up to 220 in audience/ceremony style or 180 for dining and makes for a memorable gathering. If your ceremony or event is to be small, you may prefer the gorgeous setting of the East or West **Courtyards**. The intimate feeling brings a special feeling to all.

Once again, thank you for considering Heritage Square. If you have any additional questions you can reach us:
